

# Certificate II in Outdoor Recreation Pathway for Venturer Scouts

The SIS20213 Certificate II in Outdoor Recreation is a nationally recognised qualification which can provide entry level jobs in the Outdoor Recreation industry. This qualification informs employers that the individual has the skills and knowledge to be competent in performing core skills in outdoor recreation environments and assisting with the conduct of a range of outdoor activities.

## Typical Scouting pathway

Experiences and learning received by Venturers across Australia aligns to the requirements of the Certificate II in Outdoor Recreation. A typical pathway that enables collection of valid evidence is a Venturer Scout;

- Complete Environment and First Aid courses
- Plan and participate in an expedition
- Complete Adventurous Activities e-Learning
- Satisfactorily complete a Canoeing, Kayaking, Caving, or other Scouting outdoor adventure skill

## Structure of the Qualification

While all of the activities may be swapped with other outdoor adventure skills, the most popular version of the Certificate II in Outdoor Recreation that is completed by Venturer Scouts includes the following 5 core and 10 elective Units of Competency:

HLTAID003	Provide first aid
SISOOPS201A	Minimise environmental impact
