

15th of June, 2016 – Graham 'Skip' Crawford

It is with great sadness that the Central Coast Lakes District have reported the passing of Graham 'Skip' Crawford, following a lengthy illness.

Over the years, Skip held leadership roles in the Cub section with Packs in the Gosford District and roles in the Scout and Venturer sections in the Central Coast Lakes District.

For most of his Scouting life, he has been a Leader with 1st Terrigal and was a valued Member of that Group.

He was a regular attendee of Jamborees and Region camps, often in the service Leaders role. His gentle nature will be missed by all that knew him. His funeral was held on the 10th of June.
