Total Billed Full Membership Fee for 2019-20 **\$168.00** (@ \$42 per Quarter)

The Membership Fee covers the running of Scouting Membership Operations in NSW throughout the year.

For Fellowship Members to be eligible for the Pension Discount, they need to have supplied a Pension Number to the State Office through their Fellowship Group. Where a Fellowship Member is also a Leader and a Pensioner, they will not receive a discount as they are billed as a Leader, so the General Membership fee applies.

Special Membership Situations

The following Membership Situations have specific billing results.

Membership Invoicing Scenarios

Fellowship Members who are Leaders will be billed to the Group they are attached to as a Leader. The Fellowship Group will not receive an invoice for this Member

Honorary Commissioners receive a free membership currently, and will show on invoices as \$0

Reserve and Leave Of Absence Leaders will be billed to the Group they are attached to as a Leader, as these statuses indicate that the membership is current but on hold. To not be invoiced, Leaders should be resigned instead of being placed on LOA.

Rovers who are Leaders will be billed to the Group they are attached to as a Leader. The Rover Crew will not receive an invoice for this Member.

Special Circumstances where Leaders have multiple appointments (e.g. Activity Leaders who are with a Scout Group also) will be billed as a Leader to their earliest appointed formation. (e.g. a Scout Leader who becomes an Activity Leader will be billed to the Scout Group. A Regional Activity Leader who later became a Venturer Leader as well will be billed to the Region)

Trainee Leaders will not be billed until they have been cleared (i.e. a successful Police check) which may not be for one or two billing quarters after applications are received depending on the timing of paper work and clearance reports. Once cleared, they will be invoiced on the next invoice issued, as of their clearance date.

Venturers who are Youth Helpers Will be billed to the Group they are attached to as a Youth Helper. Usually this is the same Group they are a Venturer at, but in cases where the Group is different, they will be billed to the Youth Helper Group
