

NSW Joey Postcard Exchange

What is the Postcard Exchange?

Joey Scouts is celebrating 30 years of Scouting in Australia in 2020. In honour of this, NSW Joey Scouts are hosting a Postcard exchange. This exchange will see Joey Units swap 30 postcards with 30 different Joey Scout Units. This could be virtual or physical postcards.

How does it work?

Joey Scout Units will be asked to complete an online Registration Form ([Click Here](#)). This form captures: -

- the Coordinating Leader's details,
- the participating Region and Group details,
- the number of participants – including Leaders (to identify number of badges needed)

This form will be open until Friday 25th September. Once all submissions have been collected, a list of participating Joey Units and their Coordinator's emails will be shared via email to those other participating Units. This will enable direct communication and swaps between the Coordinators to share with their Joey Units. Please note: No Youth Members information will be collected and at no point should Youth Member information be shared during this exchange.

Coordinators should work with their Units to contact 30 other participating Units and arrange for postcards to be exchanged either virtually or through postal addresses. Once Units have sent and received 30 postcards to 30 DIFFERENT units, the Coordinator can present the Joey Postcard Exchange Badge to each participant.

The Joey Postcard Exchange Badge (\$2.50 per badge) is available for each participant, including Leaders. Upon registration, each Coordinator will be asked to register the number of participants (badges needed). An invoice will be issued for payment. Once payment has been received, we will request the postal address from the Coordinator and will post the badges to you.

Postcards

Each postcard should promote your local area, your local wildlife, a Unit adventure, your Unit in Lock-down or fun. Postcards can be purchased, handmade or created electronically using Canva or other programs online. The possibilities are endless and up to each Unit to decide how they would like to create their postcards. Your postcard could simply be a photograph and story in a document, emailed to the recipient.

The Postcard Exchange will take place from 1 October 2020 – 31 March 2021
